The Men's club of the First Baptist church will meet this evening at the church parlor.

There is a standing notice in the weekly bulletin of the First Methodist church, as follows: "Ladies are kindly requested to remove their hats during the sermon."

Sey, Raybould of the Elks is sending certificates of membership to members of the local lodge, so that they can identify themselves at Buffalo should they desire to attend the annual convention.

The Saints of the Seventeenth ward will meet at 7:30 this evening to pass on the proposed resolution for the new meeting house to be erected on North Temple street between West Temple and First West streets.

The following program will be given at this afternoon's organ recital in the Tabernacle: Final Duo from "Tristan and Isolde" (Wagner); (a) Passaged (Delibes); (b) Cantilena (Gesu); (c) Old Melody; March in G (Smart).

There was another grass fire this morning at 9:30 o'clock, the flames being caused by children playing with matches. The location of the fire was 29th West street, and Chief Workman and the alarm from the 2nd station responded to the alarm. No damage was done.

Morris Shankman, aged 12, who lives with his widowed mother at 61 West Third South street, while hanging behind an Elgin dairy wagon yesterday, caught his foot in the nearest wheel, was thrown to the ground, run over and painfully injured. The boy was removed to his home and medical aid summoned. He will not do any more "hanging on behind" for long time.

Mr. J. H. Barnes of Irvington, Ga., who keeps a hotel on Chippewa, Calico, Cholera and Diarrhea Remedy had ready for instant use. Attacks of cold, cholera morbus and diarrhoea come on suddenly, there is no time to hunt a doctor or go to the store for medicine. Mr. Barnes says: "I have tried Cholera's Calico, Cholera and Diarrhea Remedy which has saved me from many medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of cold and it has proved to be the best medicine I ever used." Sold by all Druggists.

on the United States surveyor general at Salt Lake City, Utah.

Dallas (Penn.) Post: V. S. Peet of Salt Lake City was the guest of the Post - day or two this week. Mr. Peet travels from 40,000 to 50,000 miles a year in the interest of Utah lands and railroads, and has induced hundreds of energetic young people to settle in most fertile country, not one whom he has approached with his purchase or who would wish to return to farm it on the stony lands of the east. He says he does not advise any one having good health and a good farm here, and stocked, to leave and go to Utah, but those who will live little and can do far better there than here, with thrift and economy can soon own a farm that he would not trade for five times the same number of acres here. He has lived eight years in Utah and finds everything even better than he expected when he went there.

**"COWBOYS" PLEASED.**

Members of "Corky Band" Indite Letter of Appreciation.

A letter of thanks has been received by Mayor Morris from City Auditor Schwabach, a member of the now famous "Cowboy Band" of Los Angeles, in which he gives great appreciation of the hospitality shown the Los Angeles visitors while here. The letter follows:

"My Dear Mr. Mayor—I desire to express to you my appreciation of the universal courtesy and hospitality we received here. We were welcomed while in Salt Lake. We went there for a good time and we had it; and we enjoyed every minute of it, and I believe that the way has been opened for a more extended and cordial relation between our two cities because of this trip. We thank you down kind and honest people to prepare the way. You can be pleased to know in advance that we will be pleased to attend the annual convention.
